ABOUT **IMT GHAZIABAD**

Institute of Management Technology Ghaziabad, established in 1980, is among the first few schools in India to be AACSB-accredited and has also been accredited by SAQS, AIU, and NBA. IMT Ghaziabad ranks among the Top 100 in the Financial Times Masters in Management 2024 and is the #1 institution in India, as well as #66 globally in the FT Masters in Finance 2025. It also holds the #30 position in the NIRF India Rankings 2025 (Management category). With a distinguished legacy of over four decades, the institute offers programs in management that have produced more than 15,000 alums worldwide, who have thrived as business leaders, entrepreneurs, and changemakers.

IMT Ghaziabad's curriculum blends academic rigor, leadership development, design thinking, emerging technologies, and entrepreneurial thinking to cultivate a problem-solving, future-ready mindset. A pioneer in integrating sustainability and social responsibility into management education, IMT Ghaziabad's Sustainability and Social Responsibility (SSR) initiative has been recognized in AACSB's Innovations That Inspire, and the school is a proud UN PRME Champion.

For students, IMT Ghaziabad offers hands-on, future-forward learning through advanced facilities, including the Bloomberg Finance Lab, AI Clinic, and Digital Marketing Lab. Students gain global exposure through exchange programs and international internships. The institute has a diverse and inclusive campus and a vibrant culture fueled by student-led clubs, committees, and events.

CORPORATE INTERACTION MODULE (CIM)

Where Academia Meets Industry: PGDM ExP's Transformative Engagement Series at IMT Ghaziabad

At IMT Ghaziabad, we believe that transformational learning happens when theory meets practice — when future leaders engage directly with industry practitioners who have shaped business landscapes through experience, foresight, and innovation. The Corporate Interaction Module (CIM) series is an integral part of our academic design, bridging classroom concepts with real-world applications. These sessions enable participants to see management theories come alive through lived industry experiences, helping them connect strategic frameworks with operational realities.

By embedding such engagements into the PGDM ExP curriculum, IMT Ghaziabad ensures that academic learning remains current, practice-oriented, and deeply relevant to the evolving business ecosystem.

As part of this initiative, the PGDM ExP cohort had the privilege of interacting with distinguished leaders from varied industries, each offering invaluable lessons on leadership, innovation, and holistic growth.

Main highlights from the CIM Series:

Mr. Pankaj Mendiratta

Vice President – Tiles, Hindware Ltd

Shared his journey across sales, production, and marketing, emphasizing business expansion strategies, consumer psychology, and leadership agility in dynamic markets.

Ms. Ambika Wadhwa

CHRO, Gourmet Investments

Inspired participants to think beyond functional silos, drawing from her experiences with Campus Activewear, Uber, and Reliance Brands, and demonstrating how people and business strategy must evolve together.

Mr. Piyush Mittal

Global Talent Acquisition Leader, Evalueserve

Spoke about the power of cross-functional exposure, understanding CXO priorities, and lifelong learning as essentials for global leadership.

Ms. Shambhavi Solanki

Group Head – HR, PB Fintech (Policybazaar)

Offered insights into managing hyper-growth, balancing speed with empathy, and building resilient, learning-oriented cultures.

Mr. Sandeep Chaudhary

Senior Manager – Talent Development, HashedIn by Deloitte

Explored how professionals can navigate careers in the AI era by combining domain depth with learning agility and curiosity.

Mr. Amit Babbar

India Site Leader, Roblox

Shared perspectives on establishing Global Capability Centres, emphasizing courage,

foresight, and humility as the foundations of high-impact leadership.

Ms. Shikha Gupta

CHRO, Luminous Power Technologies

Brought leadership alive through cinema, presenting her PIVOT framework — Presence, Influence, Vision, Ownership, and Trust — as a guide for purposeful leadership.

Ms. Kashish Kapoor

CHRO, NEC Corporation

Highlighted emotional intelligence, resilience, and agility as core capabilities for leading in technology-driven and lean business environments.

Mr. Yudhisthir Singh

Head HR – India, Nothing

Concluded the series with an inspiring session on navigating the age of AI — urging professionals to transition from specialists to strategists while embracing trust, agility, and continuous reinvention.

Mr. Gagan Chugh

Regional Sales Head – North & East, McCain Foods, and proud IMT alumnus

Inspired the cohort with lessons on adaptability, perseverance, and aligning career growth with personal passion.

Mr. Suhas Ranjan and Mr. Aman Sharma

leaders from EY Consulting

Emphasized the importance of solution-oriented thinking, credibility, and leadership presence in shaping careers with purpose and impact.
